

30 DAYS OF

SELF-CARE

A Gentle Journey Back to Yourself

A 30-Day Journal for Rest, Reflection & Self-Love

THIS JOURNAL BELONGS TO

"I'm giving myself permission to slow down, breathe deeply, and take care of myself."

WELCOME TO YOUR 30 DAYS OF SELF-CARE

“Self-care doesn’t have to be complicated. Sometimes it is a quiet morning, a good night’s sleep, a walk outside, a nourishing meal, or simply giving yourself permission to rest.”

“For the next 30 days, this journal is your little space to pause, listen to yourself, and reconnect with what you need.”

“You deserve the same kindness you give to others.”

A GENTLE GUIDE

- 1 Take a few quiet minutes each day.
- 2 Answer the prompts honestly—there are no wrong answers.
- 3 Skip anything that doesn't feel right for you.
- 4 Celebrate small acts of care.
- 5 Remember that progress doesn't have to be perfect.

"Small moments of care can become a beautiful life."

MY PROMISE TO MYSELF

What does my body need today?

Have I been giving myself enough rest?

What makes me feel comfortable and cared for?

One kind thing I can do for my body today:

DAY 6

MY MIND

QUIET YOUR MIND

What thoughts have been occupying my mind?

Which thoughts can I release?

What deserves my attention instead?

“Keep choosing the little moments that make life feel softer, slower, and more meaningful.”

“Your journey doesn’t end here.”
